OFFICIAL PAPER OF THE CITY

Subscription, \$1.00 per year.

Advertising rates furnished on application. The Value of the Tropic Interurban Sentinel as an advertising medium is obvious when its field at the head of the San Fernando Valley is considered. The nature of the paper, the character of its subscribers and the class of advertising it carries tell the whole story.

BROTHERHOOD

The emotion and sentiments of profound gratitude which our entrance into the world war have inspired and which the messages of our President have aroused should give us a deeper realization of our responsibilities to our brothers in conflict. That the people as a whole and not statesmen alone have been deeply moved, is evidenced by the following excerpt from a London dispatch to a Canadian daily, "The Province," of Vancouver, which has been furnished the Sentinel by Mrs. Amy Isabella Peabody of North Glendale avenue:

"LONDON, April 7.—England celebrates Easter with a feeling of sober confidence and thankfulness. The mass of the nation even today scarcely realizes the enormous significance of America's entry into the war. President Wilson's speech created the first real thrill. One leading labor representative told me he started reading the speech when travelling on the Underground, and became so absorbed that he went five stations beyond his destination. Fathers called their families around them and read the speech aloud.

" 'When you're old men,' they told their sons, 'you'll remember today.' "

TROPICO'S WAR MISSION

What patriotic service can Tropic render in the great war crisis that is upon us? We can give our sons! Yes, and we are doing so; but they are only a fraction of our population. What will we stay-at-homes do for the men behind the guns? We have cast our lot with the fighting millions on the side of the Allies and we must live up to the obligations of our compact. We must tax every industrial resource our country possesses to meet the tremendous needs of the armies of Europe for food as well as soldiers and ammunition and ships to transport them. Export demands have already reduced our supplies of food to a dangerously low reserve. Tropic is not a manufacturer of war supplies; it is not even a farming community in the ordinary acceptance of the term, but it does have the good fortune to be placed in one of the most productive valleys the sun has ever shown upon. Every citizen has a possible garden and the uncultivated, unimproved lots capable of cultivation amount to many acres upon which we, the stay-at-homes, should be growing food crops. Would it not be a wise and prudent measure for our Board of Trustees or our Chamber of Commerce to make a survey and secure the use of all idle land and then organize our local industrial forces to work it under suitable direction and control. Many women enjoy gardening. It would be appropriate work for the Boy Scouts and a pleasant pastime for the elderly men unfit for military service. This would, of necessity, demand the acquisition and control by the city of Tropic's water supply, that it might be available for these agricultural needs, but the Sentinel has been assured the City Trustees will gladly act in that matter if the voters will show a willingness to sustain them.

That President Wilson feels the paramount importance of food production in the preparedness campaign is made but too evident in his appeal to his fellow countrymen of April 15th. In it he says:

"Thousands, nay hundreds of thousands of men otherwise liable to military service will of right and necessity be excused from that service and assigned to the fundamental, sustaining work of the fields and factories and mines, and they will be as much

part of the great patriotic forces of the nation as the men under fire.

"I take the liberty therefore, of addressing this word to the farmers of the country, and to all who work on the farms: The supreme need of our own nation and of the nations with which we are co-operating is an abundance of supply, especially for the present year.

"Without abundant food, alike for the armies and the peoples now at war, the whole great enterprise upon which we have embarked will break down and fail.

"The world's food reserves are low. Not only during the present emergency but for some time after peace shall have come, both our own people and a large proportion of the people of Europe must rely upon the harvests in America. Upon the farmers of this country, therefore, in large measure, rests the fate of the war and the fate of the nations.

"I call upon the young men and old alike and upon the able-bodied boys of the land to accept and act upon this duty—to turn in hosts to the farms, and make certain that no pains and no labor is lacking in this great matter.

"The Government of the United States and the government of the several States stand ready to co-operate. They will do everything possible to assist farmers in securing an adequate supply of seed, an adequate force of laborers when they are most needed at harvest time, and the means of expediting shipments of fertilizers and farm machinery, as well as of the crops themselves when harvested. The course of trade shall be as unhampered as it is possible to make it and there shall be no unwarranted manipulation of the nation's food supply by those who handle it on its way to the consumer. This is our opportunity to demonstrate the efficiency of this great democracy and we shall not fall short of it."

CHAMBER OF COMMERCE MEETS

Though the meeting of the Chamber of Commerce last Thursday evening was not largely attended, a good many matters of interest were considered.

Municipal Market

The communications included one relative to a so-called municipal fish market which had been addressed to the City Trustees of Tropicco and by them referred to the Chamber of Commerce. Mr. Peters, secretary, was asked to interview the Tropicco marketmen relative to the proposition and to that end was made a committee of one with power to act.

Auto Tax Allotments

Another communication was from Standish Mitchell, secretary of the Auto Club of California, in which he expressed hearty approval of the suggestion made by Secretary Peters that an effort be made to have a part of the auto taxes allotted to the maintenance of County Boulevards and State Thoroughfares in cities through which they pass instead of requiring the cities to maintain them without aid. Mr. Mitchell promised to take the matter up with the County Supervisors.

Another communication was from the California State Development Board of San Francisco asking for a list of business openings in Tropicco.

Promoting Enlistments

A letter from Frank Wiggins, Secretary of the Los Angeles Chamber of Commerce asked the Tropicco Chamber to co-operate in encouraging enlistments in the army and navy.

Mineral Survey

A letter from the State Mining Bureau told of a plan to engage prospectors to make a mineral survey of the state for the purpose of determining the amount, kind and location of the various minerals that would be useful in time of war.

Factory Promotion

Secretary Peters called attention to the need of special effort to induce

MONEY TO LOAN—On farms, city and suburban property, to pay off mortgages or to build, any amount; long time, easy terms. C. G. Paul, 407 Chamber of Commerce Bldg., Los Angeles; residence 206 N. Glendale avenue, Tropicco. Phone Green 196 (Glendale).

small manufacturing concerns to locate in Tropicco and fill up the business blocks on San Fernando Boulevard. He expressed the opinion that they are admirably adapted to bottling works, shirt waist factories, and many other lines. He was instructed by the Chamber to correspond with the Industrial Department of the Los Angeles Chamber of Commerce and the California Development Board of San Francisco in regard to the matter.

Carbon Factory

Mr. Peters also presented a proposition to establish a factory for the manufacture of carbon to be used for electric lamps, dynamos, carbon paper, etc., which would utilize the waste products of the gas works of Los Angeles. The promoters have been negotiating for the use of the Salyer building on San Fernando Boulevard, known as the old piano factory, and for the purchase of adjoining acreage. The proposition calls for the installation of about \$18,000 of machinery with which they claim they would be able from material costing \$3700 to turn out a product worth \$30,000 and which would call for a monthly payroll of \$2500 to \$3000. The organizers of the company are asking for local subscriptions for \$5000 of stock.

The secretary reported the receipt of \$15.50 in dues from members of the Chamber.

There being no further business the Chamber adjourned to meet again the second Thursday in May.

Mr. Fillinger of the Chandler Tract had a narrow escape from death Wednesday morning when a well he was digging caved in. He was rescued with fractured ribs and some shoulder damage. Internal injuries were feared.

HOME GUARDS

Glendale has effected a big organization of Home Guards which have been holding mass meetings almost nightly. It has been estimated that the expense of arming and training the guards will approximate \$10,000 which it has been proposed to raise by taxation. As the law makes no provision for such special taxes, there is talk of sending a delegation to Sacramento to secure the necessary legislation.

Tropico has made no attempt as a municipality to emulate her bigger twin, but she has been taking precautionary measures. At the request of the County Sheriff, twelve deputy sheriffs, who will drill regularly and who will be subject to call to quell any local disturbance or to assist at need in other parts of the county, have been sworn in. They are all sober, cool-headed, patriotic men who can be relied upon in emergency, and they are providing their own arms. The Sentinel has also been informed that twenty deputy marshals to act in any local emergency have been appointed to serve at the call of Marshal Gould.

KAFFEE KLATCH

About forty-two ladies, members of the Acacia School Mother's Club or friends of its president, gathered at the home of Mrs. Wattles on North Glendale avenue last week Wednesday for a Kaffee Klatch and spent a most delightful afternoon. A brief and informal but nevertheless charming musical program was contributed by two local artists, Miss Louisiana Spaulding of Park avenue played a Bach composition for a piano numbers and as an encore sang "Down on the Ohio." Miss Ruth Mitchell sang "Annie Laurie" and "Those Endearing Young Charms."

Needlework and conversation occupied the ladies the balance of the afternoon. The guest list included: Mesdames Ferry, O'Brien, Chappius, Priaux, Glasburn, Nelson, Ewens, Vandever, Lawyer, Grant, Bradley, Spaulding, Peterson, Patterson, Preston Fox, John Fox, McQuiston, Richardson, Barnett, Gregory, Strong, Todd, Oliver, Gaarder, Crane, Marek, Meagher, Green, Roberts, Gilmore and Rudell, Misses Brown, Lotthouse, Sewall Spaulding, MacCormack, Hamilton, Cushing, Crawford and Hazard.

TROPICO INTERURBAN SENTINEL

TROPICO'S SOLDIER BOYS

Some of the Tropico boys who sought enlistment did not get their heart's desire but a substitute with which they are well satisfied. Four of them have been enrolled for the cavalry, viz: Louis Gabaig, Harvey Fishel, Garland Stone and Herbert Collage. John Collage and Al Moniot have gone into the Coast Artillery, William Dixon has joined the Marines and Frank Searle the army. The cavalry boys drill at the armory in Exposition Park Friday evenings, the Coast Artillery boys on the same night at the old mormal. They expect to be sent to a training camp either at Arcadia or on the Mexican border.

EPWORTH LEAGUE NEWS

The Epworth League of the Tropico M. E. church held its annual election of officers last Friday night with the following result: President, Will Hewitt; 1st Vice, Will Marple; 2nd Vice, Hazel Stickley; 3rd Vice, Helen Muhleman; 4th Vice, Edna Philips; Treasurer, Mr. Dishman; Secretary, Emily Kopp; organist and choirister to be appointed later.

The local League expects to send quite a delegation by auto to the League Convention which will be held in Pomona May 24, 25 and 26, and they will spend the week end there.

A practice game was held on the League's basket ball court after choir rehearsal Saturday night. Strong wire has been put over the windows and around the lights for protection.

The return of Mr. and Mrs. Charles Klamm from their wedding trip is hailed with satisfaction by the League in which they will be active workers.

DRILLING AT THROOP

On account of the patriotic interest in the war and desire to take a practical part in the preparedness campaign, the spring terms at Throop Polytechnic will be curtailed and close May first instead of in June. A training camp is being prepared on the campus and a company of students has been formed from which enlistments into the army or navy may be made later. Eugene Imler has been made First Lieutenant in this Company and is one of the instructors in the engineering corps.

LOCAL HAPPENINGS

Mr. and Mrs. D. L. Glenn of Ashland, Oregon, who have been spending the winter in their Glendale home on Colorado avenue are about to return to their northern residence. They spent a part of last week with their old friends, Mrs. Imler and Miss Hickman of Palm Villa. Also of the party was Miss Margaret Bowers of North Vernon, Indiana, an old school friend of Mrs. Imler and Miss Hickman.

A delightful dance was given in Masonic Hall, Glendale, by Sidney Simon and Vincente Salmacia last Friday in honor of the soldier boys of Glendale who have enlisted. About 100 young people from Tropico, Glendale and valley towns attended. Mesdames Dietz, V. Price and D. H. Smith were patronesses.

Fifteen of the boys and girls of the graduating class of Union High are busy rehearsing the Senior play which is entitled "Amarilly of Clothesline Alley."

A private company of Home Guards has been organized among employees of the Title Insurance Company of Los Angeles. Mr. Wattles has been made First Sergeant of the company which drills for an hour every day from 5 to 6 p. m.

Mr. and Mrs. Hayes, who have been in Tropico for about a year, are returning this week to Arizona. They expect to locate in Phoenix. Mrs. Hayes is a sister of Mrs. Bessie Wildman.

The P. E. O. met Friday afternoon at the home of Mrs. William Mabry on Acacia street. Mrs. Van Etten, who was responsible for the program, gave an excellent talk and paper on the women of Russia, their home life and other characteristics. In connection she exhibited some beautiful specimens of Russian needlework.

A treat is in store for members of the Thursday Afternoon Club today as the program will be musical and in charge of Miss Louisiana Spaulding, who will be assisted by a violinist and a vocalist.

Miss Jeanette Jewell of Washington is the guest of Mr. and Mrs. C. M. Turck of 521 North Glendale avenue and will probably remain in Tropico for several weeks.

Mr. Milton Armstrong of Blanche Avenue has gone back to San Diego County to resume work as an assayer in the reopening of some old mines which are to be developed with modern equipment.

The Sentinel has understood that the School Election has been set for April 27th, and that the polls will be open from 2 to 7 p. m. Members of the School Board will probably make an official announcement elsewhere in this issue.

The regular meeting of the Yeomen was held last Friday evening and was followed by music, dancing and refreshments.

The Woman's Relief Corps held their regular meeting Friday afternoon. A new member, Mrs. Minnie Beckman of Glendale, was initiated. About 34 members attended.

The N. P. Banks Post, Woman's Relief Corps and Sons of Veterans of Tropico and Glendale have just been advised that they will be expected to furnish the program for August 9th at the G. A. A. encampment at Huntington Beach.

Misses Ellen Churchill and Minnie Moulton motored with old friends from New Hampshire visiting in Southern California, to San Diego and spent the greater part of last week there.

The Woman's Missionary Society of the Presbyterian church will hold its regular meeting April 26th at 2:30 p. m. at the home of Mrs. G. W. Elder. Subject: "Freedmen." Mrs. Elder and Mrs. H. L. Moody will be hostesses and Mrs. F. I. Marsh will lead the meeting.

The Presbyterian Ladies' Aid had a very satisfactory all-day meeting last Thursday and covers were laid for eighteen at the mid-day luncheon.

Mrs. Rev. W. C. Lyon and three daughters of Valley City, North Dakota, were guests Tuesday afternoon and evening of Mrs. S. E. Brown. They have been spending the winter at Lakeside and will leave Saturday for the east.

Mesdames A. L. and Leigh Bancroft motored to Pomona last Thursday. On the way back they stopped in Glendora and were luncheon guests at the beautiful home of Judge Silent.

Messrs. Cook and Bancroft are all ready for their summer camping trips. They have had the backs of the front seats in their autos hinged so they can be turned down and converted into beds. They will thus be able to travel anywhere with perfect independence and comfort.

Mrs. Leigh Bancroft has been getting recruits for the Woman's Branch of the Navy League and will soon organize a bee to knit for the sailors.

Rev. M. M. Eshelman is preparing a history of the first foreign missions of the Church of the Brethren.

The Pythian Sisters are banking on a big crowd at their dance which comes off at K. P. Hall on Brand Boulevard Wednesday evening, May 4th. Busch's orchestra has been engaged to furnish the music.

The Rohara Club holds its next meeting Wednesday evening, April 25th, at the home of the president, Miss Rose Virden.

Mrs. Sarah Spencer, who has made her home at Hotel Tropico for about two years, has moved to Glendale and is now at the Flower Apartments in that city.

Miss Rose Virden was one of a Sorority house party of the Tau Phi of U. S. C. which spent the week end at Ocean Park, where two new members were initiated.

Mrs. Cross, who has been the winter guest of her son, H. D. Cross of Mira Loma avenue, returned Friday to her home in Detroit.

Glendale Feed and Fuel Co.

As a matter of justice to the Relax Home and Hospital management the Sentinel is glad to publish the following explanation of the action of the hospital authorities in connection with a recent auto accident. The hospital is not equipped to handle emergency cases, nor is it licensed to conduct an institution of that kind. To the Public:

In the Glendale News of April 10th, appeared an article under the caption, "Auto Accident" which without a full explanation on the part of the Management of the Relax Home and Hospital—(formerly the Mission Hospital of Tropico) places them under unjust censure.

We have from the first made every effort to establish ourselves in the mind of the public that the Relax home part is to be established as a Rest Home. That the Surgical side is set aside for private surgical cases. That a Rest Home cannot fill its place and do justice to those who come for the purpose of Relaxing and Resting, if they are to be startled by an ambulance gong, and people rushing in and out in an excited way as is always the case, without patients being aware of it, and to their undoing. Such private cases would have just cause for complaint if this order of things were to prevail. It is so easy for the public to pass judgment before inquiring into the motives of those they censor.

We are not prepared to take ambulance cases. Have not equipped ourselves for such. Have only taken out our license for private hospital, and would lay ourselves open not only to criticism if we attempted taking cases when not prepared, but in having malpractice suits to deal with. The service of our nurses as well as my own will be in readiness to go with ambulance or autos without charge, to any General Hospital when called upon. Patients who come in purposely for a rest and with the understanding that the place is not a General Hospital, have rights to be protected, as they are paying for just such conditions.

SHERIFF'S RESERVE

A sheriff's reserve was formed in the city of Tropic Wednesday, April 7th by Sheriff Cline, and about twenty men were deputized to act as a reserve for this place. These reserves are being formed throughout the county. They will be drilled in the use of firearms and given a preliminary military training. In this way the sheriff will secure a strong organization in all parts of the county of men who will be used for Home Guards and later on, if necessary, they can be sent to the front with a good working knowledge of what is expected of them.

SCHOOL NOTES

The annual Oratorical Contest at Union High comes off Friday night. The different classes have had their try-outs and will be represented by the following students: Seniors, Harold Venske; Juniors, Harland Durand; Sophomores, Frank Balthis; Freshmen, Zila Taylor. At the close of the contest the winner will be handed a \$20 gold piece and his name will be placed on the honor roll in the office of the school. The booths will be decorated with red, white and blue this year instead of the class colors.

Olin Wilson of the Senior class has enlisted in the Coast Artillery. Miller Fishel and Walter Hawkins, also Seniors, have enlisted in the Aerial Corps.

"Amarilly of Clothesline Alley," the Senior play, is pronounced so good that not a dull moment can squeeze in from start to finish. Though all who see it will forget dull care, it has charming bits of philosophy too. It will be put on May 3rd and 4th in the school auditorium.

The chemistry class visited four different Los Angeles factories last week and saw old paper made into new.

THE REAL THING

Note the ad of the Los Angeles Silk Store, 219 Mercantile Place, Los Angeles. Its closing out bargains are the real thing and it will pay shoppers to investigate. Mrs. C. M. Turck told the writer she found silks there at 50c to \$1.00 a yard below figures quoted by other stores.

MORE FREE SEEDS

Congressman Randall has remembered Tropic and secured another consignment of free seeds for us. They are now at the Sentinel office for distribution.

ATWATER TRACT ITEMS

Mrs. Jacobsmeyer of Atwater avenue entertained at luncheon Saturday noon.

Miss Anna Henry entertained on Monday the Kill Kare Klub of which she is a member. Miss Rubetta Schout was elected president and Miss Henry treasurer of the organization. A well appointed luncheon was served and an enjoyable evening was spent.

Mrs. R. J. Fish and Mrs. R. E. Bottoff of Hollywood were guests at the home of H. T. Foster last week.

Mr. and Mrs. Parkinson of Atwater avenue are spending the week at Hollywood.

Mrs. Thomas Cooney entertained last Thursday in celebration of her daughter Katherine's birthday. Many beautiful gifts were received by the little girl. Ice cream and cake were served and a delightful afternoon was enjoyed by the guests.

Mrs. M. M. Schout and Miss Adda Burch attended a banquet given by the W. F. M. S. at Hamburger's Tuesday.

TROPICO MERCANTILE CO.

Opens Groceteria in Glendale

The plan as explained by Mr. Smith to the Sentinel reporter is as follows:

It is upon the same plan as the cafeteria. You help yourself and get paid for it. You see on our awning the sign—

LOS ANGELES GROCERY CO.

85 Stores

Reduce the high cost of living by helping yourself and get paid for it

GLENDALE GROCETERIA

Store No. 82

It explains why we are able to sell for less under this plan; the majority of overhead expense is eliminated—the expense of the middle man's profit and expense of handling is cut out, and the jobber's cost of handling and rehandling and warehousing is eliminated—costs which are heavy and invariably are added to the retail price, and which are paid for by the consumer.

AGAINST TORRENS LAW

"Farm Loans and City Bonds," of Chicago, in its issue of March, 1917, prints the following article regarding the Torrens law in the State of Colorado:

"The Torrens law has been in operation in Denver County continuously for ten years. The report of the Registrar shows that during these ten years only eleven original registration suits to place land under the system had been brought in Colorado's most active county. When it is remembered that the City of Denver with its 250,000 people is in the county, the number of initial registrations under the Torrens law there is surprisingly few. The suits embraced a total of seventy-two parcels of land, it being permissible to register a number of parcels of land in a single suit under the Colorado law, just as it is under the Torrens law of California. Most of the suits brought in Denver were brought eight or nine years ago, a short time after the law was enacted, since which time the law has fallen into almost total disuse. There have been 125 transfers in Denver, during these years, of registered title, a total of 370 certificates, including special tax and judgment certificates and duplicate certificates, having been issued."

MISSION PLAY EXCURSION

Mr. Bainbridge, representing the Mission Play at San Gabriel, called at the office of the Sentinel last Saturday and announced that a special excursion from Tropico and Glendale by trolley direct from the Twin Cities to San Gabriel and the Mission Theatre, has been set for Saturday evening, April 21st. A special reduced price will be made and it will be a rare chance for those who have not seen this wonderful drama of early California and the Mission fathers, or for those who have seen it but wish to revive their impressions and to note the changes which have been made in play and cast.

INSTANT ACTION SURPRISES
MANY HERE

This grocer's story surprises local people: "I had bad stomach trouble. All food seemed to sour and form gas. Was always constipated. Nothing helped until I tried buckthorn bark, glycerine, etc., as mixed in Adler-i-ka. ONE SPOONFUL astonished me with it's INSTANT action." Because Adler-i-ka flushes the ENTIRE alimentary tract it relieves ANY CASE constipation, sour stomach or gas and prevents appendicitis. It has QUICK-EST action of anything we ever sold.

PROCEEDINGS OF BOARD OF TRUSTEES

All members were present when the Board was called to order Tuesday evening.

Communications read by the clerk included an acknowledgment from the office of the Governor at Sacramento of telegram relative to Bill 967, stating it would have his attention.

An application for a permit to sell six gallons of milk in Tropico by George and Clarence Blanchard was presented and later referred to Health Officer Mabry for investigation and report.

Food Conservation Conference

A letter asking the Board to appoint a committee of five to represent their body, the Chamber of Commerce, Woman's Club, School Board and P. T. A., to meet with a general committee in Los Angeles April 19th to consider problems of producing and conserving food, was read and referred to President Peters who named Mr. Veselich to represent the City Trustees and said he would make the other appointments requested.

Fire District Ordinance

Under the call for official reports City Attorney Shaw submitted the draft for an ordinance establishing a fire district on Brand Boulevard between Park and Acacia avenue, and making regulations regarding the erection of buildings therein. It was read by the City Clerk and referred to the Building Inspector for observation and remark, and to be returned at the next meeting.

Garbage Contract

The City Clerk tendered the garbage contract between the city and W. E. Edwards duly executed by both parties and same was ordered placed on file.

City Directory

Marshal Gould asked for authority to purchase a city directory for his office and on motion of Veselich request was granted.

Committee Reports

On behalf of the Siren Committee President Peters reported correspondence which he would be prepared to submit at the next meeting.

He also reported the Water Committee would be ready to report at the next meeting and would recommend that an election be called to vote bonds in the amount of \$55000 to purchase the city water system.

Taxation for Home Guards

A resolution transmitted by a committee of the Glendale Home Guard and which the Council was urged to pass, petitioned the legislature now in session to enact a law which would enable cities of the sixth class to secure by special taxation funds to arm and equip a Home Guard. After amending the resolution to make it include funds for increased police officers as well as Home Guards, the Council voted to adopt it.

Deputy Marshals

The City Clerk reported oaths taken by four deputies appointed by the City Marshal, and the Board confirmed the appointments.

Glendale Avenue Fire Hydrant

Trustee Peters reported that the Water Company had failed to install the fire hydrant ordered placed on Glendale avenue some time ago because of a defective valve at the point of connection. After some discussion the Clerk was requested to ask the Water Company to install the hydrant

on the property line, south of the alley heretofore indicated.

Demands

Demands were submitted and ordered paid as follows: Pac. L. P. Co. \$227.13; Roake for police dept. repairs \$9.75; Puente Oil for fire dept. \$6.15; oil for street repair \$14.00.

There being no further business the Board adjourned.

CARD OF THANKS

Dear Friends:

We wish to thank you for your sympathy, your beautiful floral tributes and the kindness extended to us when we lost our loved one.

W. A. HOUGH,

Mr. and Mrs. GLENN CRAIG,

Mr. and Mrs. LOUIS COOLE.

The Sentinel has been requested to make the following announcement:

"The Ladies' Auxiliary of the Home Guard of Glendale invite the ladies of Tropico to join their organization and attend any meetings which may be called by the Chair. Committees who have this work in hand, the object of which is to establish a fund for the maintenance of soldiers' families left behind will call on you in the meantime."

BAND DANCE

About thirty-five couples enjoyed
themselves hugely at the dance given
by the Band Boys last week. Four
prizes were offered for the best de-
monstrations of the good old fashion-
ed waltz, and the Shea family walked
off with three of them, which is a
pretty good dancing record. A con-
dition made by the judges was that
heels should not touch the floor. They
were also critical about the manner
in which a partner was held. The
prizes were a sugar bowl and cream
pitcher, box of stationery, nice hair-
brush and pocket knife. Jamie Shea
won first gentleman's prize, Mr. The-
daker second, Blanche and Lila Shea
first and second ladies' prizes.

SEBASTIAN IN DRAMA

Former Mayor Sebastian, it is de-
clared, has become a really and truly
matinee idol, who performs all man-
ner of daring feats in his new eight-
reel photodrama, "Invisible Govern-
ment," which will be shown at
Clune's Auditorium beginning the
23rd inst.

H. G. Stafford, who directed the
production, has woven an interesting
and absorbing romance of politics
and the underworld around former
Mayor Sebastian. Chinatown scenes
never before shown to the eye of Oc-
cidentals are filmed in the production,
Sebastian having been able to secure
the right to photograph interiors of
temples, lodges, joss houses, etc.,
through the friendship and confidence
he established with the Orientals
while acting as sergeant of the China-
town police squad.

Speed of Carrier Pigeons.

On fairly long journeys—say, of 100
miles or more—the carrier pigeon will
average a speed from thirty-seven to
forty-three miles an hour. The best
horse in the world can only keep up
a speed approximate to that for six or
seven minutes at most. The pigeon's
speed is about thirty-three yards per
second, just about twice as great.

"Mistakes will happen," said the
careless clerk.

"Yes," replied the irate boss, "and
I'm rectifying the one I made in hir-
ing you by discharging you."—Detroit
Free Press.

SCHOOL TRUSTEE CANDIDATES

The Sentinel hopes a sufficient vote
will be cast at the coming election to
make a victory for one candidate or
the other decisive. Both are com-
petent. Mr. Oliver is frankly seeking
the office. Mr. Hibben does not per-
sonally desire it but has consented to
run at the solicitation of his friends.
Mr. Oliver is now a member of the
High School Board and argues that
as a member of the two boards he
can purchase supplies for both schools
and by combining the orders secure
better figures and promote economy.

COMEDY AT MOROSCO

From the stern reality of the in-
tense drama of human passion, which
for the past two weeks has been the
offering at the Morosco, the players
of this famous Broadway stock the-
ater once more return to the sun-
ny laughter of farce comedy with the
celebrated mirthmaker, "Somebody's
Luggage."

"Somebody's Luggage" is the sort of
light, pleasing comedy that is pro-
ductive of roars of laughter, with its
intricate situations and its brilliant
and startling dialogues. It tells the
story of a young man who, while in
a condition of intensive inebriation
on board a channel boat between
England and France, picks up a suit-
case belonging to a very important
and wealthy personage.

Arrived in England, the young man
meets with an accident, and the only
way of identifying him possible is
through the stranger's luggage. Be-
lieving him to be the stranger whose
luggage he carries, he is taken to a
very beautiful home, where atten-
tions are forced upon him which he
is at a loss to explain, but which are
not at all distasteful.
